

Fairmount Fair

(The Fairmount Fair is a shopping center in Camillus, NY. The singer is visibly pregnant.)

I lost my love at the Fairmount Fair,
At the Fairmount Fair, at the Fairmount Fair.
He went to buy me a diamond there,
But got lost at the Fairmount Fair.

He told me that I was so pretty,
My loyal and innocent prince.
But then he went off to the city,
And I haven't seen him since!

I lost my love at the Fairmount Fair,
At the Fairmount Fair, at the Fairmount Fair.
I've looked for him almost everywhere,
But he's lost at the Fairmount Fair.

He must have developed amnesia,
For Johnny's not one to forget;
Or maybe he's suffered a seizure,
For I haven't seen him yet!

Send out the posse!
Sound the alarm?
How can I keep Johnny
Back on the farm?

Oh, tell me, where has my lover flown?
Did he take our honeymoon all alone?
If you know, won't you write,
Or cable, or phone?
I'll be at the Fairmount Fair!
